Please note:

- All prices exclude GST.
- Prices may vary depending on the complexity of the matter, length of time and matters that arise in the process of handling the matter. If there is a variation, clients will be informed beforehand.
- If a chargeable service is requested which is likely to exceed \$1,500, ECA Legal will provide a Costs Agreement for approval before costs are incurred.
- All court costs and disbursements are additional.
- For commercial litigation, property law, family law, migration, succession planning and other areas falling outside our scope of services, we have several law firms on our panel of external service providers which can provide such services at reduced rates.
- Liability limited by a scheme approved under Professional Standards Legislation.

*ECA WA associate members do not have access to discounted rates.
