## ADDITIONAL INFORMATION

**Hours:** An employee cannot be required to work more than either 38 hours per week and reasonable additional hours or 38 hours per week averaged over a 12 month period (this averaging must be agreed to in writing by the employee).

**Casual Work:** The casual rate is the hourly rate plus 25% casual loading.

**Annual Leave:** Employees are entitled to 4 weeks annual leave with pay for every 12 months of service plus 17.5% leave loading. Shift workers are entitled to an extra week's annual leave calculated on a pro rata basis (i.e. based upon the amount of shift work they perform).

Annual leave accrues on a pro rata basis each 4 week period based upon an employee's nominal hours (ie specified hours) worked, less any unpaid leave (eg unpaid sick leave or protected or unprotected industrial action). Annual leave must be credited to an employee's accruals each month. A full time employee would **accrue 11.7 hours annual leave for each 4 week period** they worked and did not take any unpaid leave.

**Annual leave paid on termination of employment:** Payment will be made for annual leave which has fallen due and for pro rata annual leave for service of less than 12 months at the rate of 1/13<sup>th</sup> of ordinary pay for that period.

**Annual leave loading on termination:** The loading is not payable if the employee is dismissed for misconduct.

**Personal/ Carer's Leave:** Personal/carer's leave is a combination of paid sick leave (taken for personal illness or injury) and paid or unpaid carer's leave (taken to care for an employee's immediate family member or member of the employee's household).

An employee has a combined total of 10 days per annum personal/carer's leave which they can use for sick or caring purposes. Employees are also entitled to an additional 2 days unpaid carer's leave (but only where they have already used up all of their paid carer's leave) on each occasion where they need to care for their immediate family member or member of their household.

Personal/carer's leave accrues on a pro rata basis for each 4 week period based upon an employee's nominal hours (ie specified hours) worked, less any unpaid leave (eg unpaid sick leave or protected or unprotected industrial action). Personal/carer's leave must be credited to an employee's accruals each month. A full time employee would **accrue 5.846 hours personal/carer's leave for each 4 week period** they worked and did not take any unpaid leave.

**Compassionate Leave:** Compassionate leave (previously known as bereavement leave) is paid leave taken for the purposes of spending time with a person who is a member of the employee's immediate family or a member of the employee's household who has an illness or injury that poses a threat to his/her life or after the death of such a person.

An employee is entitled to 2 days of paid compassionate leave for each "occasion" they are entitled to compassionate leave.

**Overtime:** For all work done outside ordinary hours, including work on a leisure day (except where such leisure day is substituted for another day), the rates of pay shall be time and one-half for the first 2 hours and double time thereafter, such double time to continue until the completion of the overtime work.

**Saturday Work:** Day workers shall be paid for a minimum of three (3) hours work. If work commences before 12 noon, the rate of pay shall be time and one-half for the first 2 hours and double time thereafter. If work commences after 12 noon the rate of pay shall be double time. (Clause 12(1)(b))

**Sunday Work:** Employee shall be paid for a minimum of three (3) hours' work at double time. (Clause 12(1)(b))

**Work on a Public Holiday:** Employees shall be paid for a minimum of three (3) hours' work at double time and one-half. Clause 12(1)(b))

**Termination of Employment:**

Employers must give an employee a minimum period of notice consistent with the table below:

Period of continuous service	Period of Notice
Up to the completion of 1 year	1 week
1 year and up to the completion of 3 years	2 weeks
3 years and up to the completion of 5 years	3 weeks
5 years and over	4 weeks

In addition to this notice, if an employee is aged over 45 years at the time of termination and has completed at least 2 years continuous service, he/she shall be entitled to an additional week's notice.

If an employee is guilty of gross misconduct, they may be summarily dismissed without notice.

If you pay an employee in lieu of notice, the Act requires that such payments must include not only the base hourly rate of pay, but also any allowances, loadings and penalties to which the employee would have been entitled had they worked out the notice period (eg rostered overtime, productivity allowance etc).

If an employee resigns and does not give one week's notice, then the employer is entitled to withhold up to one week's pay in lieu of notice.

**Redundancy:**

'Redundancy' occurs when the employee ceases to be employed, except by reason of misconduct.

Where a redundancy occurs, employers must pay the following in addition to the notice period (where applicable):

Period of continuous service	Severance Pay
Less than 1 year	1.75 hours for each week of service (where redundancy occasioned by employer)
1 year and up to 2 years	2.4 weeks (plus 1.75 hours pay for each completed week of service in excess of 1 year)
2 years and up to 3 years	4.8 weeks (plus 1.75 hours pay for each completed week of service in excess of 2 year)
3 years and up to 4 years	7 weeks (plus 1.75 hours pay for each completed week of service in excess of 3 year)
4 years and over	8 weeks

**Superannuation:**

From 1 July 2025, employers must contribute **12% of the employee's ordinary time earnings** to a complying superannuation fund.

**Long Service Leave Act 1958:**

2 months after 10 years' service and one month for every five years thereafter (month means 4 1/3 weeks). Seven or more years, but less than 10 years' service entitles the employee to pro rata payment, if his/her employment is terminated. Public holidays occurring during long service leave are added to the leave.

**Construction Industry Portable Long Service Leave Act 1985:**

From 1 January 2025 through to 31 December 2025, the contribution rate is 0.75 % of the ordinary rate of pay paid to the employee.
